

Trader's Declaration

Dear trader,

As part of its Money Laundry Prevention Policy, **Armax** is conducting an application assessment with all customers who are intending to trade securities through its platform above the defined threshold of 100 USD (\$).

Before you invest your deposits or withdraw back your earnings, we must carry out some background and identity checks, and part of our vetting process involves confirming your client details, i.e. your name, citizenship, age, residence address etc.
